1. The following ships are under construction at the Braila shipyards:

   a. Two mine sweepers of 1000 tons each. These mine sweepers have two motors of 1000 horsepower each. Both of these mine sweepers will be completed this year and given to the Soviet Union as reparations.

   b. Twenty-four patrol boats, 25-30 tons each. These patrol boats will each have one machine gun. These boats are being built for the Soviet River Police.

2. Four icebreakers are at present under construction at the Turnu Severin and Galati shipyards. These icebreakers will be used on the Danube River during the winter months to make navigation possible.
